- Hold your pen or pencil nice and tightly
- Take your time (there's not need to rush)
- Make sure your letters are sitting on the lines
- Make sure you have tall and small letters.

The children are playing games on the playground.

The dog chased after his ball.

My friend is coming to my house for tea. - Hi Alison, Please can you change the highlighted text into the school handwriting font for me? I don't have it on my laptop. Also they don't need to be in purple. ☺ Thank you.

Your final activity of the day is to make up your own song or to make a piece of music using items from around your house.

Your song/piece of music can be about anything.

If you are writing your own song you can write the words down and send it to us.

If you are making a piece of music you could send us a picture of the items that you used to make your sounds. (This could be anything... banging a pan with a drum, making a shaker from an old yoghurt pot)

Have fun! ☺
