This week we have an exciting project for you to work on at home.

This project is to create some pieces of work which will be put up on display in your Year 3 classroom. (It is really important that you complete these tasks so that your new teacher can put your work on the wall, ready for when you return to school in September 😊)

Today's task for your new classroom – Complete a self portrait of yourself.

You can use paint, colouring crayons, felt tips, collage or anything else that you think would look fantastic.

Top tips for a super portrait

- We would love your portrait to be on A4 paper.
 - Your portrait should fill the page
- Make sure that your portrait looks just like you
 - We would like you to take your time
- Try your best (as this piece of work will be going up on your classroom wall)

When you have finished your portrait please send us a picture via the Y2 email or drop your portrait off at school.
