We hope you and your child are enjoying accessing the home learning tasks.
Learning will be set each Monday, Wednesday and Friday.

To help us feedback to your child, please can you email to:
year4@friarage.n-yorks.sch.uk or **drop off** at least 3 pieces of work each week by the following Monday.

Drop off will be available at the school gate every Monday between 11am and 11.45am

Please continue to check the website: <https://friarageprimary.org.uk/> and the Twitter feed: <https://twitter.com/FriarageS> for all updates.

1. In **maths**, we are continuing with word problems. Can you solve these word problems?
Show your working.

A farmer picked 173 apples on Monday.
On Tuesday, he picked 4 times as many apples as he did on Monday.
How many apples did the farmer pick altogether on the two days?

There are 5 times as many boys as girls in a school.
Together the school has 810 pupils.
How many boys are there?

2. English - GREEN PLAN

Thinking task: Do you agree with Amelia? Why? Why not? What should be the focus when we all come out of lockdown?

Writing task: Write down some simple ideas for your very own GREEN PLAN (can be bullet points/spider diagram) of what you would like to see improve after the lockdown ends. What do you think the government and world leaders could make better for humans and animals? How could they take better care of the world for future generations?

3. Interesting facts about me

Main task: Here is your chance to tell your new teacher(s) more about how WONDERFUL you are!

Here are some sentences starters I would like you to use:

In my spare time I like to...

Did you know that...

A funny moment in life was...

An interesting fact about me is that...

I am really good at...

I would like to improve...

When I am an adult I would like to...

You can make it into a poster or write it as short paragraphs (to show off your awesome handwriting). Please be aware that these pieces of work will probably be on display in your new classroom in September - so make them SING!
