

## Year 4 – Friday 3<sup>rd</sup> July

We hope you and your child are enjoying accessing the home learning tasks.

Learning will be set each Monday, Wednesday and Friday.

To help us feedback to your child, please can you email to: [year4@friarage.n-yorks.sch.uk](mailto:year4@friarage.n-yorks.sch.uk) or **drop off** at least 3 pieces of work each week by the following Monday.

Drop off will be available at the school gate each Monday between 11am and 11.45am

Please continue to check the website: <https://friarageprimary.org.uk/> and the Twitter feed: <https://twitter.com/FriarageS> for all updates.

### 1. Can you complete this word problem?

Hannah brought 3 boxes of chocolate cookies to school to share with her friends.

- (a) There were 12 cookies in each box.  
Hannah shared all the cookies with her friends.  
Each of them received 6 cookies.  
How many friends did Hannah share her cookies with?

Can you write your own division word problem?

### 2. English- creating your own 'resilience' themed comic strip

**Thinking task:** What will my comic look like? What will the characters say? Do I need to include speech marks?

**Writing task:** Create your own comic strip using the short story you wrote on Monday. Use this website to help you plan, draw and write up your comic:

<https://www.imagineforest.com/blog/how-to-create-a-comic-strip/> It has 6 simple steps to help you create a wonderful and professional looking comic. You could even make your own mini-book (see the website)!

### **3. Thinking Skills - Living on the Edge**

- A jigsaw puzzle has 180 pieces.
- The finished puzzle is a rectangular array 18 pieces by 10 pieces.
- How many edge pieces does the puzzle have?

- (You might find it helpful to draw a diagram.)

How do you know you are correct? Explain how you did it to someone in your house.
