

Year 4 - Wednesday 1st July

We hope you and your child are enjoying accessing the home learning tasks.

Learning will be set each Monday, Wednesday and Friday.

To help us feedback to your child, please can you email to:

year4@friarage.n-yorks.sch.uk or **drop off** at least 3 pieces of work each week by the following Monday.

Drop off will be available at the school gate every Monday between 11am and 11.45am

Please continue to check the website: <https://friarageprimary.org.uk/> and the Twitter feed: <https://twitter.com/FriarageS> for all updates.

1. In maths we are continuing to revise division.

What happens to what is left, after dividing? We call what is left a remainder. Look at the picture and the method, then have a go at the calculations.

There were 11 balloons.

$$11 \div 2 = 5 \text{ remainder } 1$$

The quotient is 5 and the remainder is 1.

Each friend got 5 balloons.

There was 1 balloon left over.

1. $23 \div 7 =$

2. $17 \div 5 =$

3. $34 \div 6 =$

4. $39 \div 4 =$

5. $67 \div 8 =$

6. $20 \div 3 =$

7. $30 \div 7 =$

8. $55 \div 9 =$

2. English - features of a comic strip

Thinking task: What is a comic strip? Where would you see one? How do they work? What is their layout like? Who are they aimed at? Do you like reading them? What can you see? Read? How are they presented?

Writing task:

Create a list of features you notice about a comic strip. You can use the one I have shown as an example of use one you find at home in a book, newspaper or on the internet.... There are lots to choose from. REMEMBER: Use bullet points to list your features. If you can, annotate your chosen comic with notes about each feature.

3. Using a piece of plain paper or the plain side of a cardboard box, can you make a board game, visiting the different biomes of the world?
(rainforest, desert, tundra, savannah, grassland, woodland, rock pool)

Think about:

What might happen at each biome?

(eg. In the rainforest biome you might say - Get stuck in a rainforest. Miss a turn.
In the desert you might say -You need water. Go back 3 spaces.)
