

## Year 1 Friday 10<sup>th</sup> July 2020

We hope you and your child are enjoying accessing the home learning tasks. Learning will be set each Monday, Wednesday and Friday.

To help us feedback to your child, please can you email to: [year1@friarage.n-yorks.sch.uk](mailto:year1@friarage.n-yorks.sch.uk) or **drop off** at least 3 pieces of work each week by the following Monday.

Drop off will be available at the school gate every Monday between 11am and 11.45am

Please continue to check the website: <https://friarageprimary.org.uk/> and the Twitter feed: <https://twitter.com/FriarageS> for all updates.

## Whole School Challenge

### Art

Today we would like you to take part in our whole school challenge. We would like you to create (paint, sketch or collage) a portrait of yourself. Have a think about what shape your face is, what colour your eye are.

Is your hair long or short? What colour or shade it is?

You might want to use a mirror to check!

*Here are some examples you could try and re-create.*

**Painting**

**Sketch**

**Collage**

*Your portraits will be printed and given to your next teacher for display.*

## English

To go with your self-portraits - can you tell us some information all about yourself?

Your name, age, favourite colour, food, hobby? Funny fact? Pets?

Can you write it in a sentence?

My name is .....

I am \_\_\_\_\_ years old.

I love to spend my time .....

My favourite colour is.....

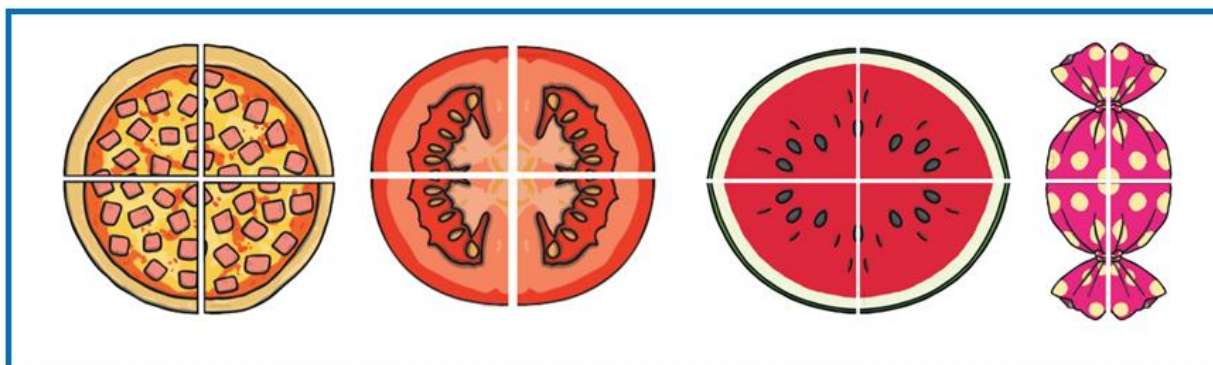

Write as many sentences as you can! Your new teacher will love to read them!

## Maths

Earlier in the week we asked you to find and colour a half of a shape or object.

Today we would like you to colour a quarter of a shape. When something has been divided into quarters, it's been divided into 4 equal parts.

The things below have been divided into quarters. One quarter is one piece.

Have a go at colouring in one quarter of the shapes below, or draw your own shapes, divide into quarters and colour one quarter. I've done the first one for you.
