

## Year 1 Friday 3<sup>rd</sup> July 2020

We hope you and your child are enjoying accessing the home learning tasks.

Learning will be set each Monday, Wednesday and Friday.

To help us feedback to your child, please can you email to: [year1@friarage.n-yorks.sch.uk](mailto:year1@friarage.n-yorks.sch.uk) or **drop off** at least 3 pieces of work each week by the following Monday.

Drop off will be available at the school gate, Mondays, Wednesdays and Fridays between 11am and 11.45am

Please continue to check the website: <https://friarageprimary.org.uk/> and the Twitter feed: <https://twitter.com/FriarageS> for all updates.

### Maths

**Making amounts of money - What coins would you use to pay for the toys?**

For example, if something cost 11p, I would use a 10p and 1p coin because  $10 + 1 = 11$

Could you set up a pretend shop at home and make price tags for the items?  
Which coins could you use?

### Theme/Geography - The Seasons

Can you do some seasons artwork?

Draw four trees and then decorate them.

How might they look in each season?

Think about what happens to the leaves in Autumn.

What might the weather look like in each Season?

## English

### Questions

When we write a question we need to use a question mark.

Listen this week for questions that you hear or questions that you ask!

E.g. What is for tea? Can I have a biscuit?

You could write a few examples down to show us.

Don't forget your question mark!  
(There is a BBC bitesize video this week on questions too)

Lots of people have been doing quizzes in lockdown.

**Let's make a Year 1 quiz!**

Could everybody send one question to add to our quiz and we will put them altogether next week?

The teachers will get you started:

Mrs Tipple's question:

**What is  $10 + 6$ ?**

Mrs Haigh's question:

**What is the Capital city of England?**

Mrs Conner's question:

**What are the four seasons?**
