

Friarage 15

At Friarage we believe each child in our care should receive a full an enhanced curriculum that constantly provides enrichment opportunities to engage learning. We have developed 15 'must do' experiences that will:

- Provide our children with many memorable experiences to enhance their enjoyment of school.
- Promote a positive attitude to learning
- Ensure children leave Friarage with the confidence and skills to make decisions, self-evaluate and become life-long learners

Each year group has built the following experiences into their planning as hooks to stimulate learning.
