

Who would you call in an emergency at the beach?

Year 1 Summer Term 1 Let's Explore Scarborough

Who was Grace Darling and what did she do?

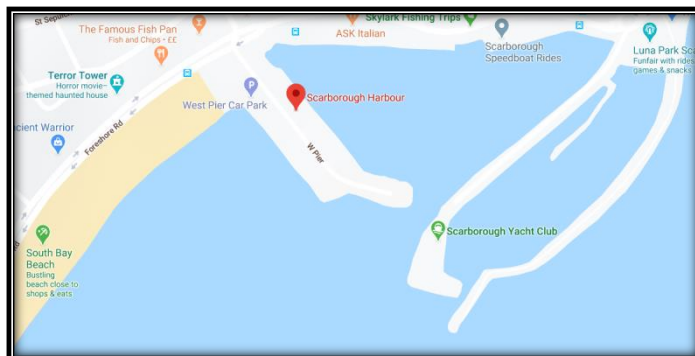

Key Vocabulary	
RNLI	The charity that saves lives at sea.
Coastguard	An emergency service and works by keeping people and vessels safe at sea and on the coast.
Lighthouse	A tower building located on the coast that gives out light. It helps to keep boats and ships safe by warning them where land is.
Lifeboat	A rescue boat used to attend a vessel in distress, or its survivors, to rescue crew and passengers.
Harbour	A sheltered port area shielded from waves, where it's safe to dock boats.
